

Safety Stand Down 2013

The Safety Stand Down is designed to bring the general aviation and FAA communities into a safety partnership to include the participation of aviation businesses and airport managers. This event will consist of Three(3) required elements: A FAA Information Session, An Introduction to Human Error, and a Loss of Control Panel Discussion. This event is from 08:00 AM to 11:00 AM.

Directions: From I-5 North or South, take exit 158 and go West Bound. Turn right at the first stoplight (E. Marginal Way S.), the Museum is on the right, 1/2 mile.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
